

# Real Life Maths - Year 2

**S** Represents the static content

**i** Represents the interactive content

<b>Chapter 1:</b> Counting Numbers	<b>Section 1:</b> One more, one less	<b>Interactive:</b> Skill in focus is to understand the concept of "one more, one less" with the help of vocals and examples.	<b>Static:</b> Explaining the concept of "one more, one less" with the help of static examples.	<b>Interactive:</b> Skill in focus is self-review in the form of drag and drops.
				
	<b>Section 2:</b> Tens more, tens less	<b>Interactive:</b> Explaining the concept of "ten more, ten less" with the help of some interactive examples.	<b>Static:</b> Skill in focus is to understand the concept "ten more, ten less" with the help of examples.	<b>Interactive:</b> Skill in focus is self-review of the section in the form of drag and drops.
				
	<b>Section 3:</b> Units and tens	<b>Interactive:</b> Skill in focus is to understand the concept of "units and tens" with the help of vocals and examples.	<b>Static:</b> Explaining the concept of "units and tens" with the help of static examples.	<b>Interactive:</b> Skill in focus is self-review by dragging and dropping the thumbnails.
				
	<b>Section 4:</b> Self-review of the complete chapter.	<b>Interactive:</b> Skill in focus is self-review in the form drag and drops.	<b>Interactive:</b> Skill in focus is self-review in the form of multiple -choice question.	

## Chapter 2: Calculations

### Section 1: Addition

**Interactive:**  
Skill in focus is to understand the concept of “addition” with the help of vocals and examples.

**Static:**  
Explaining the concept of “addition” with the help of static examples.

**Interactive:**  
Skill in focus is self-review in the form of drag and drops.

### Section 2: Addition and subtraction facts

**Interactive:**  
Explaining the concept of “addition and subtraction facts” with the help of some interactive examples.

**Static:**  
Skill in focus is to understand the concept “addition and subtraction facts” with the help of examples.

**Interactive:**  
Skill in focus is self-review of the section in the form of drag and drops.

### Section 3: Counting money

**Interactive:**  
Skill in focus is to understand the concept of “counting money” with the help of vocals and examples.

**Static:**  
Explaining the concept of “counting money” with the help of static examples.

**Interactive:**  
Skill in focus is self-review by dragging and dropping the thumbnails.

### Section 4: Self-review of the complete chapter.

**Interactive:**  
Skill in focus is self-review in the form drag and drops.

**Interactive:**  
Skill in focus is self-review in the form multiple- choice question.

### Chapter 3: Multiplication and Division

#### Section 1: Multiplication

**Interactive:**  
Skill in focus is to understand the concept of “multiplication” with the help of vocals and examples.

**Static:**  
Explaining the concept of “multiplication” with the help of static examples.

**Interactive:**  
Skill in focus is self-review of the section in the form of drag and drops.

#### Section 2: Division

**Interactive:**  
Explaining the concept of “division” with the help of some interactive examples.

**Static:**  
Skill in focus is to understand the concept “division” with the help of examples.

**Interactive:**  
Skill in focus is self-review in the form of multiple-choice question.

#### Section 3: Doubling and Halving

**Interactive:**  
Skill in focus is to understand the concept of “doubling & halving” with the help of vocals and examples.

**Static:**  
Explaining the concept of “double and half” with the help of static examples.

**Interactive:**  
Skill in focus is self-review by dragging and dropping the thumbnails.

#### Section 4: Self-review of the complete chapter.

**Interactive:**  
Skill in focus is self-review in the form multiple- choice question.

**Interactive:**  
Skill in focus is self-review in the form drag and drops.

## Chapter 4: Directions

### Section 1: Clockwise Rotation

**Interactive:**  
Skill in focus is to understand the concept of “clockwise rotation” with the help of vocals and examples.

**Static:**  
Explaining the concept of “clockwise rotation” with the help of static examples.

**Interactive:**  
Skill in focus is self-review in the form multiple- choice question.

### Section 2: Anticlockwise Rotation

**Interactive:**  
Explaining the concept of “anticlockwise rotation” with the help of some interactive examples.

**Static:**  
Skill in focus is to understand the concept “anticlockwise rotation” with the help of examples.

**Interactive:**  
Skill in focus is self-review by dragging and dropping the thumbnails.

### Section 3: Self-review of the complete chapter.

**Interactive:**  
Skill in focus is self-review in the form drag and drops

**Interactive:**  
Skill in focus is self-review in the form multiple- choice question.

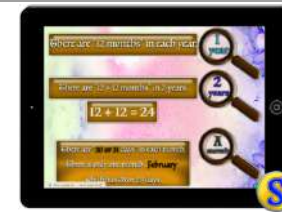

## Chapter 5: Times

### Section 1: Years and Months

**Interactive:**  
Skill in focus is to understand the concept of “year and months” with the help of vocals and examples.

**Static:**  
Explaining the concept of “years and months” with the help of static examples.

**Interactive:**  
Skill in focus is self-review by dragging and dropping the thumbnails.

## Section 2: Months and Weeks

**Interactive:**  
Explaining the concept of “months and weeks” with the help of some interactive examples.

**Static:**  
Skill in focus is to understand the concept “months and weeks” with the help of examples.

**Interactive:**  
Skill in focus is self-review in the form of drag and drops.

## Section 3: Weeks and Days

**Interactive:**  
Skill in focus is to understand the concept of “weeks and days” with the help of vocals and examples.

**Static:**  
Explaining the concept of “weeks and days” with the help of static examples.

**Interactive:**  
Skill in focus is self-review by dragging and dropping the thumbnails.

## Section 4: Horse and Minutes

**Interactive:**  
Explaining the concept of “horse and minutes” with the help of some interactive examples.

**Static:**  
Skill in focus is to understand the concept “horse and minutes” with the help of examples.

**Interactive:**  
Skill in focus is self-review in the form of drag and drops.

## Section 5: Self-review of the complete chapter.

**Interactive:**  
Skill in focus is self-review in the form of drag and drops.

**Interactive:**  
Skill in focus is self-review in the form of multiple -choice question.

				
<b>Chapter 6:</b> Self-review of the complete book.	<b>Interactive:</b> Skill in focus is self-review by dragging and dropping the thumbnails.	<b>Interactive:</b> Skill in focus is self-review in the form fill in the blanks by dragging and dropping.		
				
<b>Glossary:</b>
